Subotica, Palic and Kelebija
ACTIVE VACATION

1. Dan / Day

U toku tri dana boravka na našoj destinaciji, možete za sebe isplanirati aktivan odmor. Početna stanica neka Vam bude Subotica, gde možete uživati u celodnevnoj šetnji kroz grad, sa usputnim pauzama za predah.

Pored bajkovitih secesijskih građevina, koje svima toplo preporucujemo da obiju, tu su i drugi značajni kulturni i sakralni objekti kao i veliki broj spomenika. Napravite predah u nekom od mnogobrojnih restorana ili kafica.

During your three days stay at our destination, you can plan an active vacation for yourself. Starting point is Subotica, where you can enjoy an all day long stroll through the city, with casual breaks.

In addition to the fairy-tale Art Nouveau buildings, which we strongly recommend everyone to visit, there are other significant cultural and religious sites as well as a large number of monuments. Take a break at one of the many restaurants or cafes.

Sledeći dan preporučujemo da se malo aktivirate i uputite se na ergelu Kelebiju, koja Vam pruža mogućnost jahanja konja ili ponija za one najmlađe.

Nikako ne propustite vožnju fijakerom, kroz prelepnu Kelebijsku šumu i prepustite se uživanju u svežem vazduhu, tišini i mirisima prirode. Obavezno probajte neke od specijaliteta koji se na ergeli pripremaju.

The following day, we recommend that you activate yourself a bit and move to the Kelebija, where you have opportunity to ride horses or ponies, for the youngest.

Do not miss the carriage ride, through the beautiful Kelebija forest and enjoy the fresh air, tranquility and scents of nature. Do not miss to try some of the domestic specialties that are freshly prepared at the stud farm.
