Subotica and Palic
ART NOUVEAU STROLL

1. Dan / Day

Subotica je, među domaćim i stranim posetiocima, poznata kao grad secesije. Međutim, pored svojih velelepnih građevina ona je i grad manifestacija, bogate gastronomije i gostoljubivih građana.

Jedan dan se posvetite obilasku Gradske kuće, Sinagoge i Rajhl palate, kao i mnogih drugih secesijskih građevina koje su locirane u samom centru Subotice, a nakon toga napravite predah u nekom od mnogobrojnih restorana ili kafića.

2. Dan / Day

Sledeći dan predlažemo da se uputite na Palić i otkrijete sve lepote koje pruža ovo jezero. Prođite kroz široka vrata Vodotornja, koji predstavlja simbol Palića, nastavite kroz prelepi Veliki park, koji će vas dovesti do Velike Terase. U nastavku šetnje prema obali jezera će Vas dočekati Muzički paviljon, Spomen česma, Ženski šstrand...Utonite u bajkoviti svet secesije. Uživajte u nekoj lokalnoj čardi ili salašu.

Subotica, to domestic and foreign visitors is known as the City of Art Nouveau. However, in addition to its magnificent buildings, it is also a city of manifestations, rich gastronomy and hospitable citizens.

On the first day, visit the City Hall, Synagogue and Reichle Palace, as well as many other art nouveau buildings located in the heart of Subotica. Then take a break at one of the many restaurants or cafes.

The next day, we suggest that you head to Palić and discover all the beauty that this lake provides. Pass through the wide door of the Water Tower, which represent a symbol of Palić, then continue through the beautiful Great Park that will lead you to the Grand Terrace. As you continue your walk towards the lake shore, you will be greeted by the Music Pavilion, Memorial Fountain, Women's Lido ... Immerse yourself in the fairytale world of Art nouveau. Enjoy a local fish tavern or traditional dish in one of nearby farm-houses.
